- 10.9 The billing cycle is determined by GIG.TECH in any Order and included in the Sales Contract Terms.
- 10.10 GIG.TECH will be entitled to charge an administrative Fee of five hundred Euros (€ 500,00--) to Customer, if: (i) Customer has cancelled the Direct Debit authorization during the Sales Contract Term; or (ii) payment to GIG.TECH has been reversed or denied.
- 10.11 In case Customer has a complaint with respect to an invoice, Customer shall dispute such complaint in writing to GIG.TECH within the Payment Term, in the absence whereof invoices are deemed to be approved by Customer. A complaint with respect to an invoice shall only be taken into consideration in the event that the complaint specifies the dispute of relevant invoice(s) and provides proper motivation for the complaint. In such case, the Parties will use commercially reasonable efforts to resolve the dispute amicably within twenty (20) days of GIG.TECH's receipt of Customer's complaint, firstly at the level of each Party's senior management and – failing satisfactory resolution within fifteen (15) days – secondly at the Parties executive Managing Director level. - 11.1 Customer shall be responsible for and shall pay all sales, use, excise, or similar consumption taxes (including VAT, when applicable) arising out of the Sales Contracts. The Parties are of the view that the use or provision (as appropriate) of the Colocation Service will not create a relationship of lessor/landlord and tenant between the Parties.
- 11.2 The Parties agree that the amount charged by GIG.TECH for its services does not qualify as a royalty, interest or dividend as mentioned in the OECD model convention and its commentary. Taxes that must be withheld at source in the country where the client resides are for the account of the Customer. This means that the amount payable on the invoice is to be considered an amount after source taxes.

12. SUSPENSION OF SERVICES

- 12.1 GIG.TECH shall be entitled to immediately suspend the provision of any of the Services and/or to suspend Customer's right to access or use the Customer Portal and/or to suspend Customer's right to access to the Equipment, on giving written notice to Customer, in the event that:

- a) - to the extent reasonably possible - provide at least three (3) days prior notice to Customer of the intended Maintenance;
